

Emptying the Cache in Mozilla Firefox 29 and higher

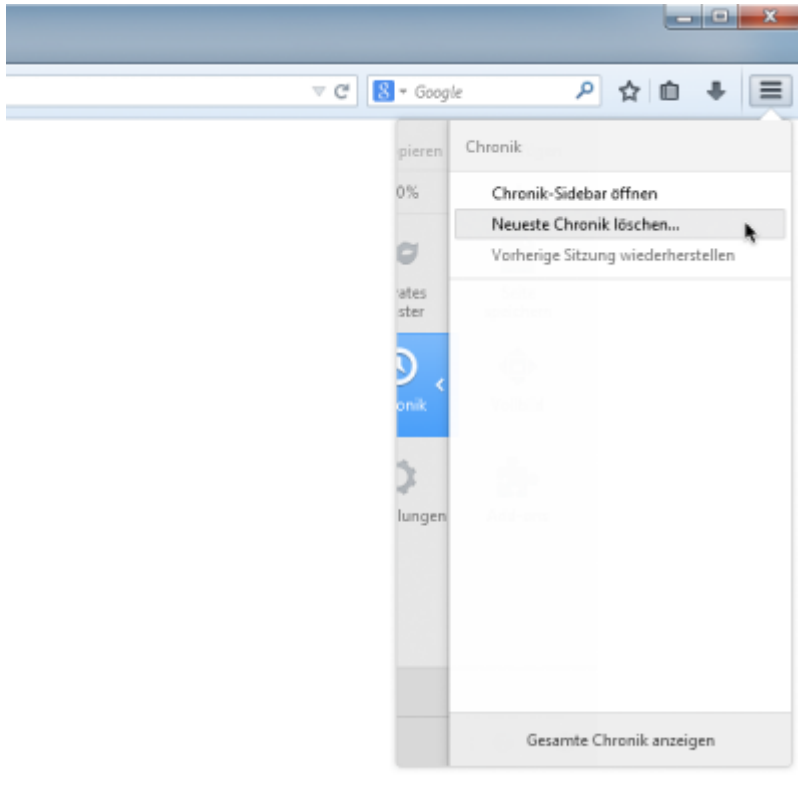

Without using the menu bar

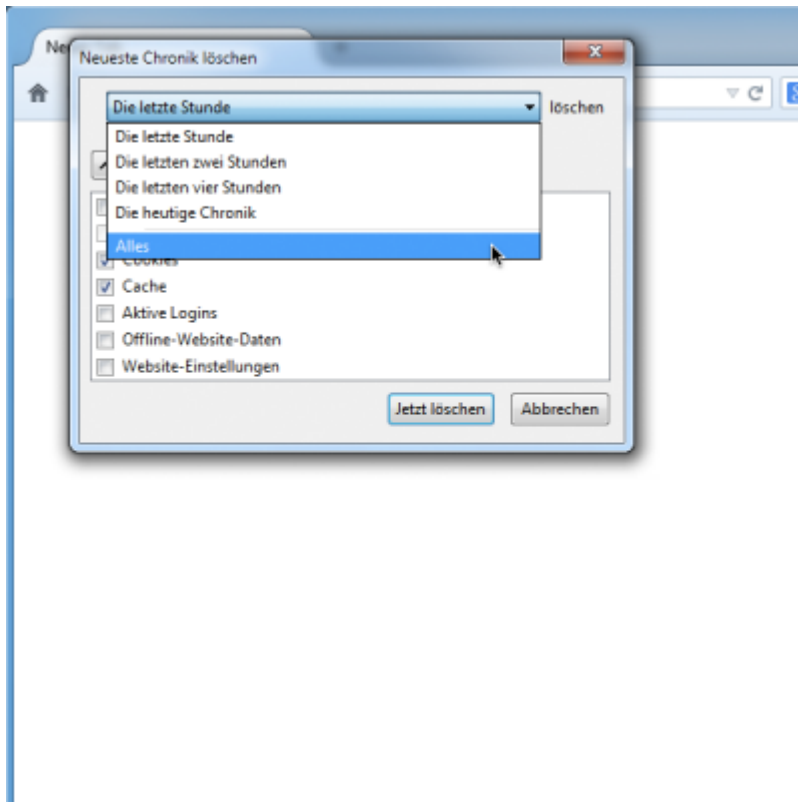

1. Click on the symbol to access the properties menu - the three bars in the upper-right corner.

2. Within the overview, select **History**.

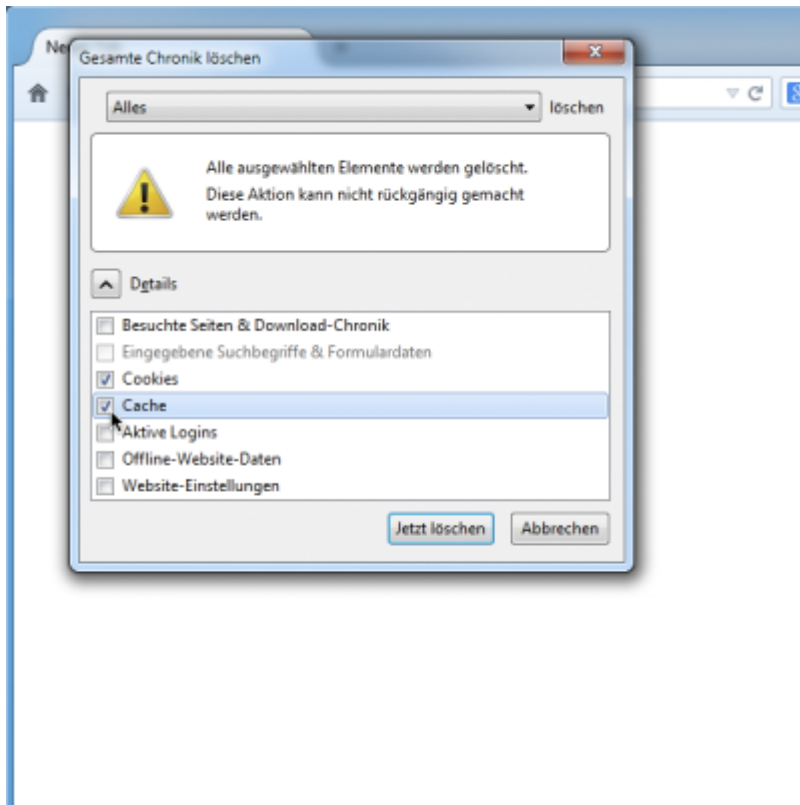

3. Click on the option **Clear recent history...**

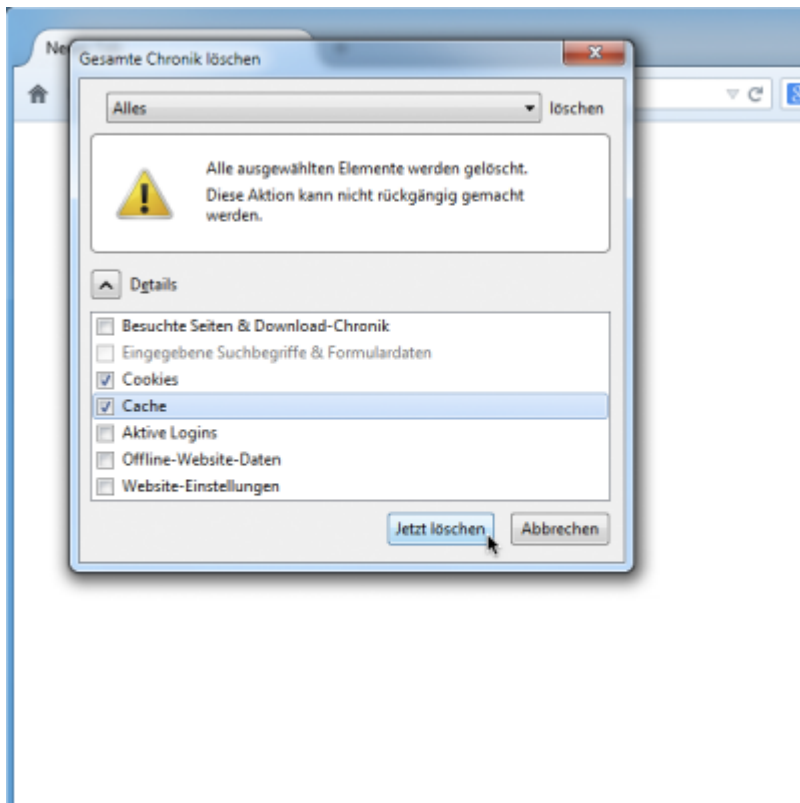

4. Select **Everything** from the drop-down menu.

5. Within the **Details** menu, select **Cookies** and **Cache**.

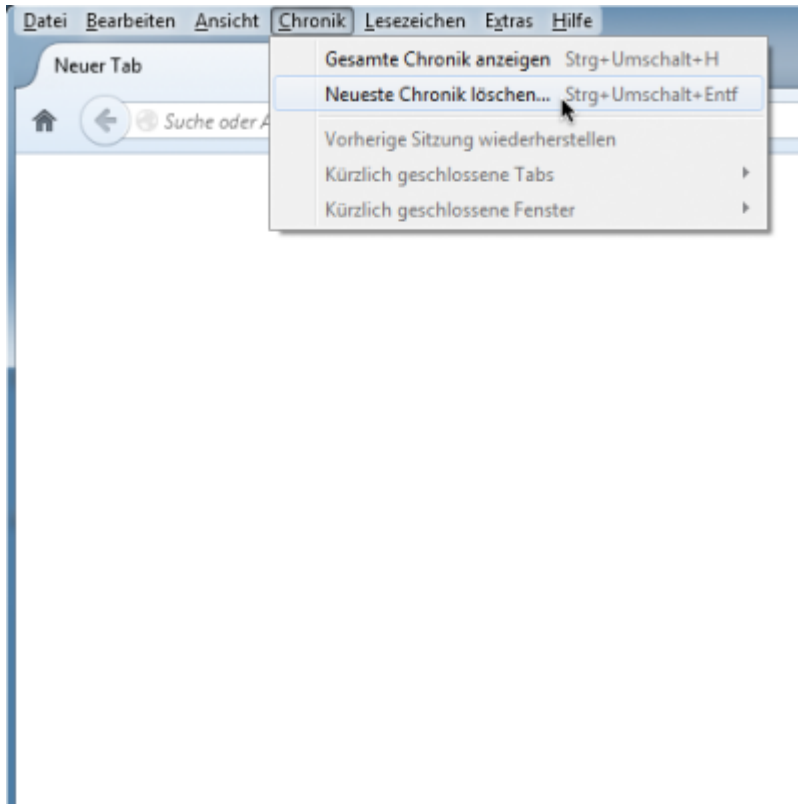

6. Confirm by selecting **Clear Now**.

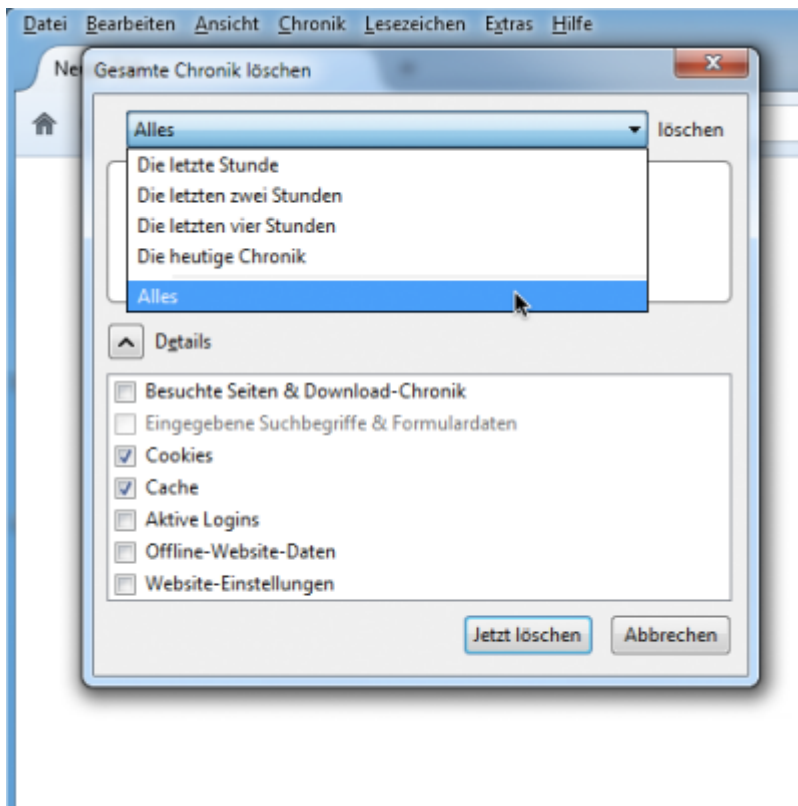

Using the menu bar

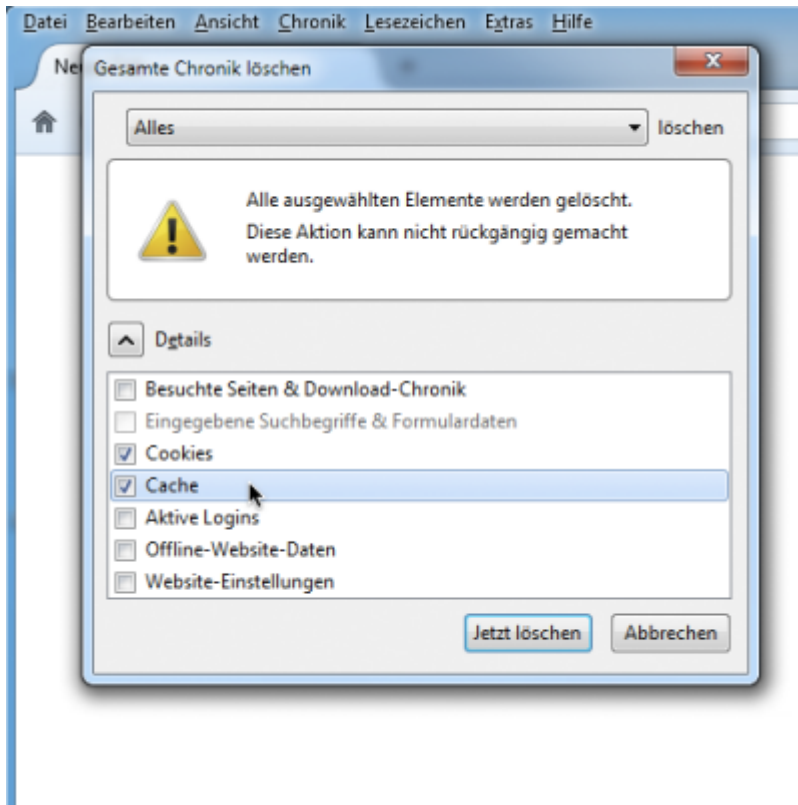

1. Within the **History** menu, select **Clear recent history**.

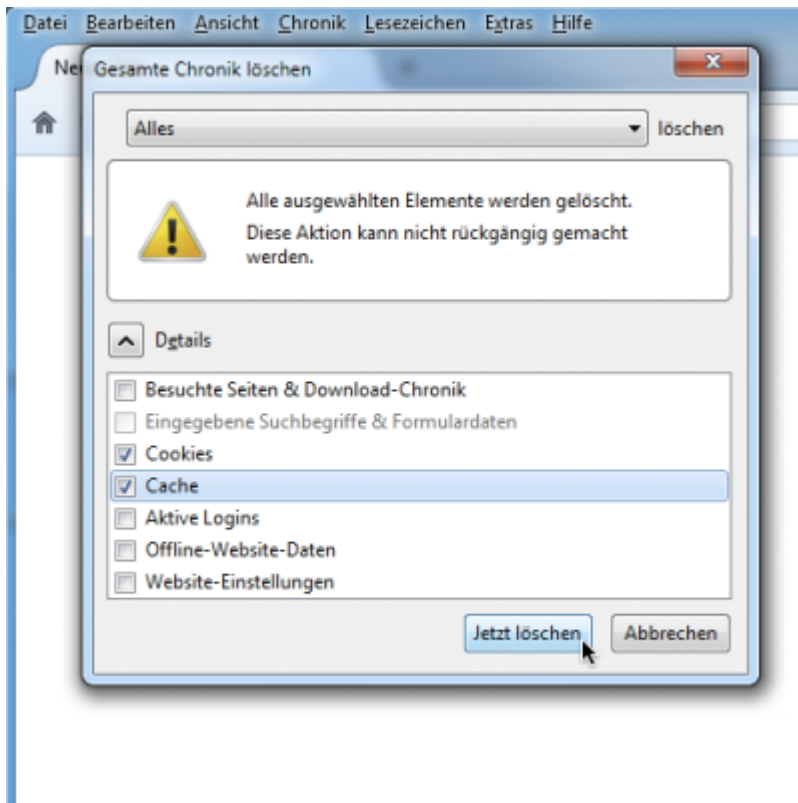

2. Select **Everything** from the drop-down menu.

3. Within the **Details** menu, select **Cookies** and **Cache**.

4. Confirm by selecting **Clear Now**.
