

Emptying the Cache in Internet Explorer 9

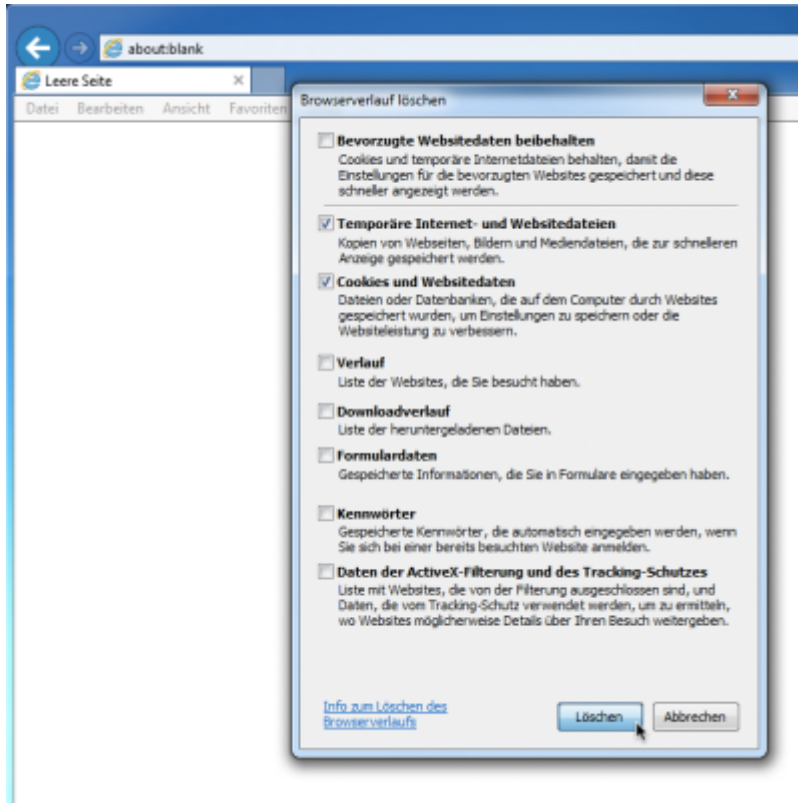

Using the Menu Bar

1. Within the **Extras** menu, click on **Delete Browser History**.

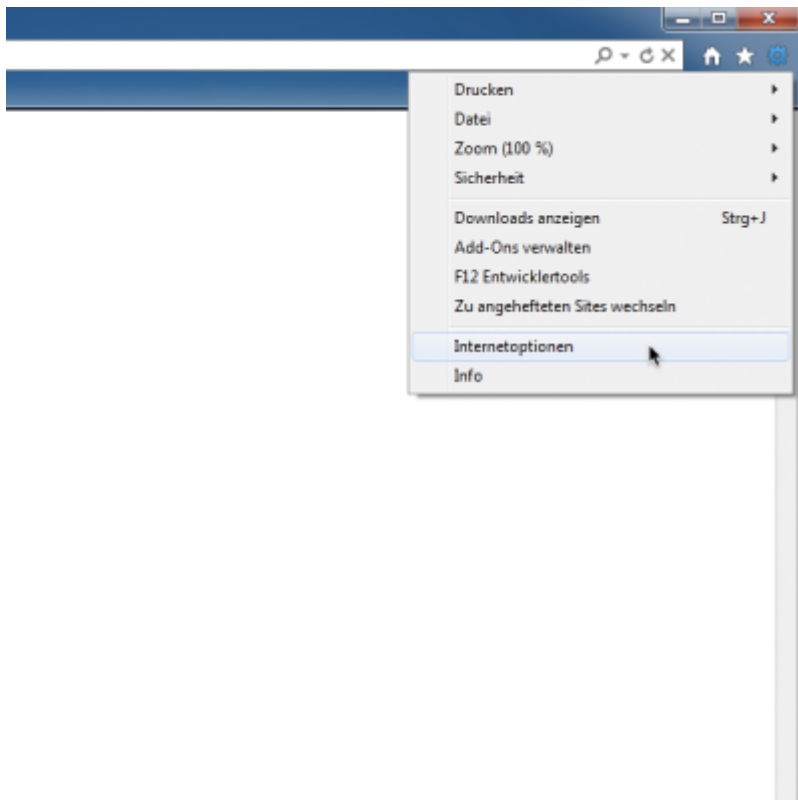

2. Select **Temporary Internet and Website Files** as well as **Cookies and Website Files**. **Retain Privileged Website Files** should not be selected.

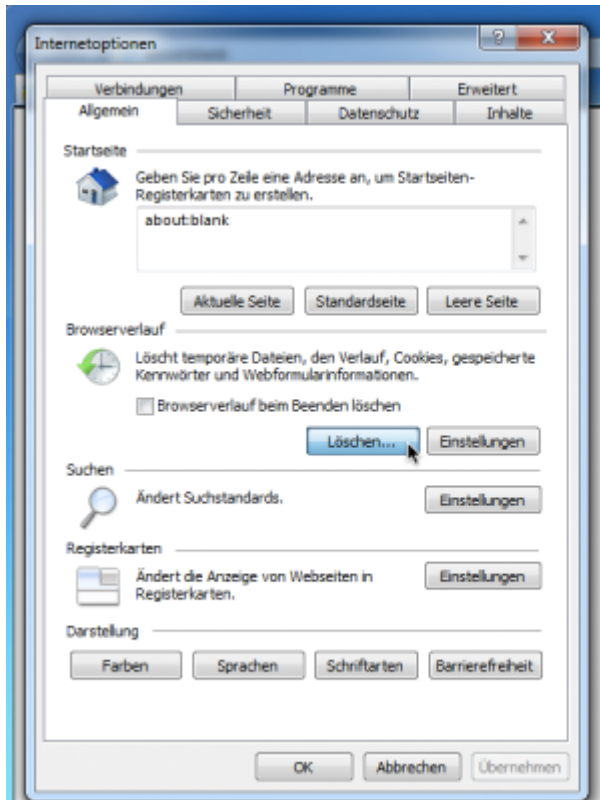

3. Confirm by selecting **Delete**.

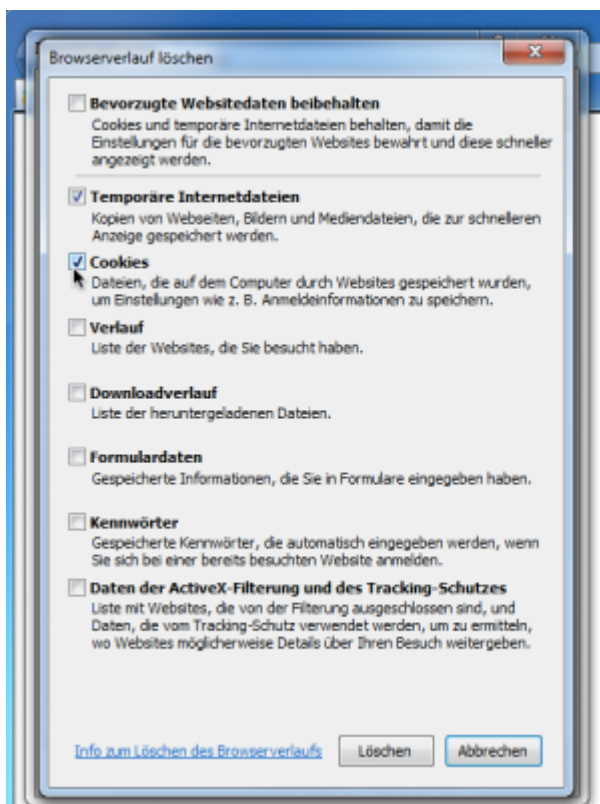

Without using the menu bar

1. Click on the screw symbol and select **Internet Options**

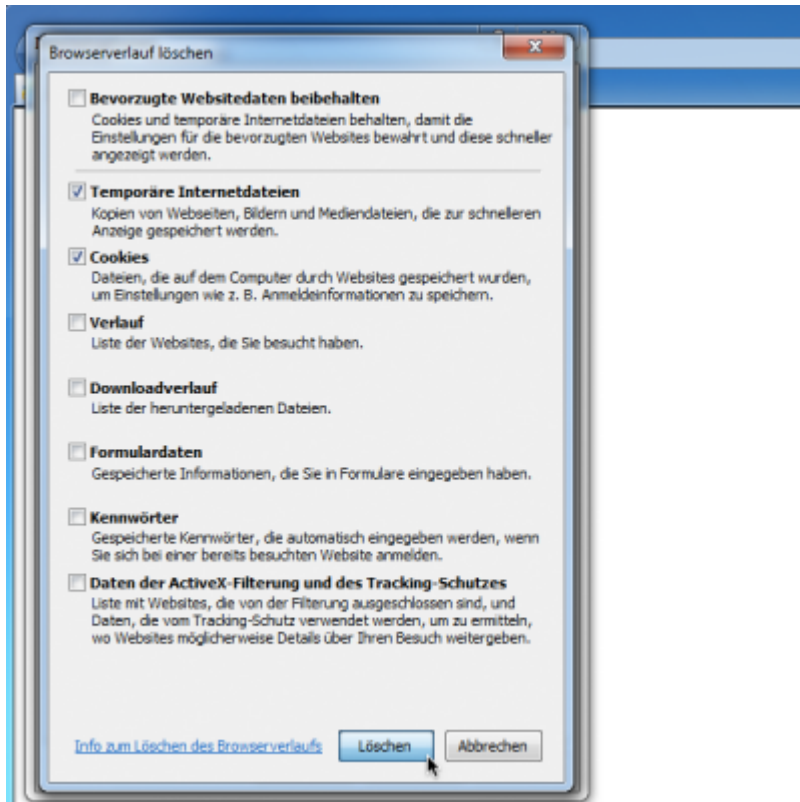

2. Select the tab labeled **General**, then within the **Browser History** click on **Delete**.

3. Select **Temporary Internet Files** as well as **Cookies**. **Retain Privileged Website Files** should not be selected.

4. Confirm by selecting **Delete**.
