## Finish the tasks

If a task has been completed by an employee, it must be completed in TIM for continuing the process.  
A task can be completed in the Clients on 4 different ways :

### Properties

If you are in [Properties](#) of the task you can use the button **Finish task** for closing the task.

### Smartform

If the smartform is open you can save the smartform and also complete the task with the button **Save form and finish task**

The screenshot shows the TIM Smartform interface with the 'Smartform' tab selected. The form is organized into sections: 'Vertrieb' (Sales), 'Projektleiter' (Project Manager), and 'Support'. The 'Vertrieb' section includes fields for 'Vertrieb \*', 'Kunde \*', 'Konditionen', 'PoC zur Verfügung gestellt bis \*', and 'Projektleiter \*'. The 'Projektleiter' section includes 'PoC Inhalte', 'Entwickler', 'Prozess abgenommen', and 'Bemerkung'. The 'Support' section includes 'Server Info'. A red arrow points to the 'Save form and finish task' button at the bottom left.

## List

With the list of the tasks one or more tasks can be completed directly. The corresponding checkbox must be clicked. By tapping the control key it is possible to select multiple tasks, which turn green then, and to close them.
