Finish the tasks

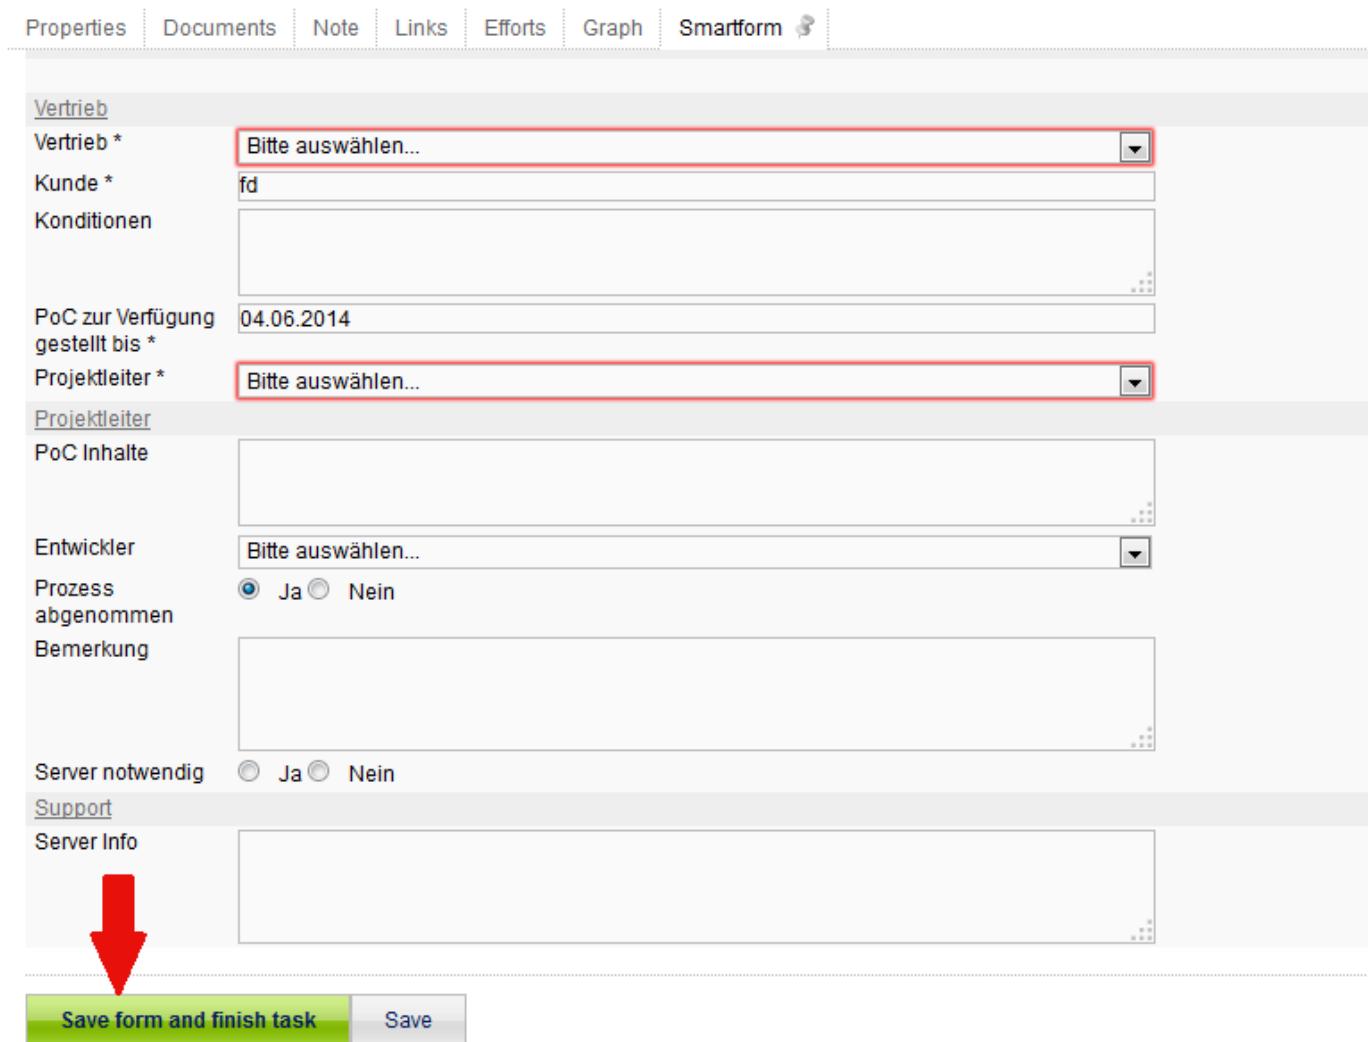

If a task has been completed by an employee, it must be completed in T!M for continuing the process.
A task can be completed in the Clients on 4 different ways :

Properties

If you are in [Properties](#) of the task you can use the button **Finish task** for closing the task.

Smartform

If the smartform is open you can save the smartform and also complete the task with the button **Save form and finish task**

The screenshot shows the TIM Smartform interface for a task. The top navigation bar includes tabs for Properties, Documents, Note, Links, Efforts, Graph, Smartform, and a search icon. The main area is divided into sections:

- Vertrieb**: Fields include "Vertrieb *" (dropdown menu "Bitte auswählen..."), "Kunde *" (text input "fd"), and "Konditionen" (text area).
- PoC zur Verfügung gestellt bis ***: Date input "04.06.2014".
- Projektleiter ***: Field with dropdown menu "Bitte auswählen...".
- Projektleiter**: Field with dropdown menu "Bitte auswählen...".
- PoC Inhalte**: Text area.
- Entwickler**: Field with dropdown menu "Bitte auswählen...".
- Prozess abgenommen**: Radio buttons "Ja" (selected) and "Nein".
- Bemerkung**: Text area.
- Server notwendig**: Radio buttons "Ja" (selected) and "Nein".
- Support**: Field with dropdown menu "Bitte auswählen...".
- Server Info**: Text area.

A large red arrow points downwards from the bottom of the "Support" section towards the bottom of the screen. At the very bottom, there are two buttons: a green button labeled "Save form and finish task" and a grey button labeled "Save".

List

With the list of the tasks one or more tasks can be completed directly. The corresponding checkbox must be clicked. By tapping the control key it is possible to select multiple tasks, which turn green then, and to close them.

The screenshot shows a software interface with a top navigation bar containing 'Activities', 'Tasks' (selected), 'My Tasks', and 'My finished Tasks'. Below this is a search bar with dropdown menus for 'Task', 'Actor', and 'Group', and a toolbar with icons for 'New', 'Edit', 'Delete', 'Import', 'Export', and 'Close'. A red box highlights the 'Close' icon.

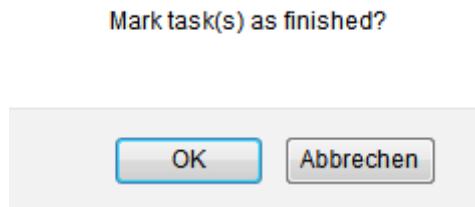

Context menu

It is also possible to finish a task via the context menu, which you can reach by right-click the task.

Confirmation

However, before a task can be closed, a confirmation window opens for avoiding any incorrect entries.
