Name	Description
Name	Here, the name/ description of the group can be entered or adapted.
E-Mail	If an e-mail address is given, all e-mails which are addressed to a group and don't have a specific user as the recipient are sent to this address. If no e-mail address is given, an e-mail with a group as the listed recipient is sent to all users within this group.
Telephone Number	Here, a telephone number for this group can be entered. For example, this could be the telephone number of the group appointee.
ID	This field can not be adapted and displays the unique identification number of the existing group.
